ROADMAP OVERALL:

PROJECT DEVELOPMENT MAP:

The screenshot displays the Jira Software Roadmap interface. The top navigation bar includes links to 'Your work', 'Projects', 'Filters', 'Dashboards', 'People', and 'Apps', along with a 'Create' button and a search bar. The left sidebar shows the project structure with 'PLANNING' (Roadmap, Backlog, Board) and 'DEVELOPMENT' (Code, Project pages, Add shortcut, Project settings) sections. The main area shows the 'Roadmap' for the 'Retail Store Stock Inventory Analytics' project. It features a timeline view with sprints and epics. The 'Project Development Phase' (RSSIA-1) is highlighted, showing its progress bar and status. The 'Project Planning Phase' (RSSIA-6) is marked as 'DONE'. The right sidebar provides details for the selected epic, including its status, description, and child issues.
