

## Define your problem statement

What problem are you trying to solve? Frame your problem as a How Might We statement. This will be the focus of your brainstorm.

5 minutes

### **Brainstorm**

Write down any ideas that come to mind that address your problem statement.

① 10 minutes

You can select a sticky note and hit the pencil [switch to sketch] icon to start drawing!

How we might eliminate the issues faced in Stock

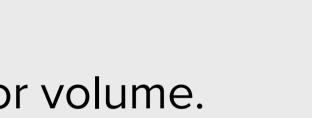

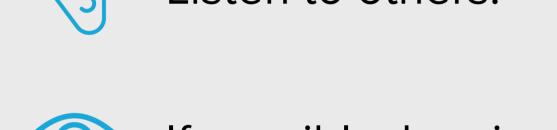

# Key rules of brainstorming To run an smooth and productive session

Stay in topic. - Encourage wild ideas.

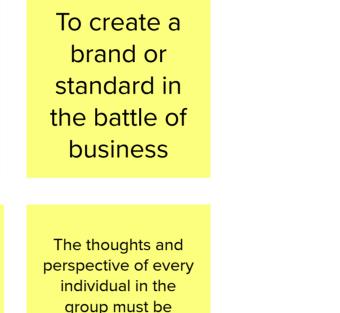

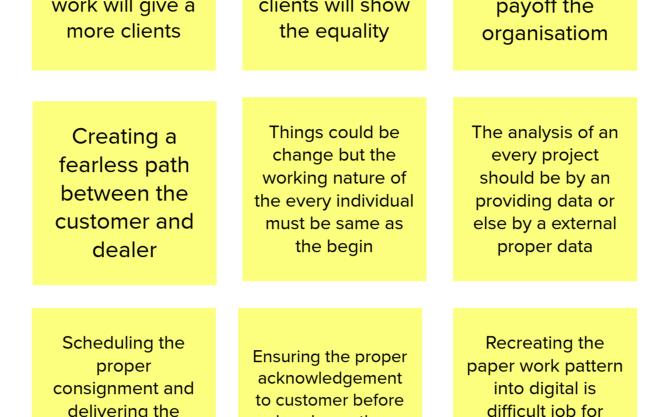

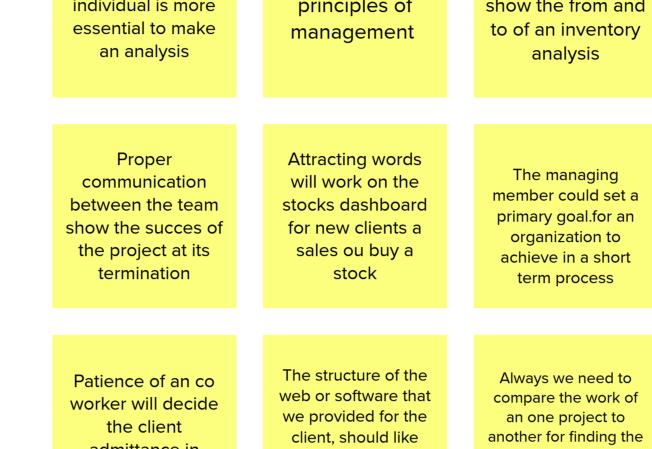

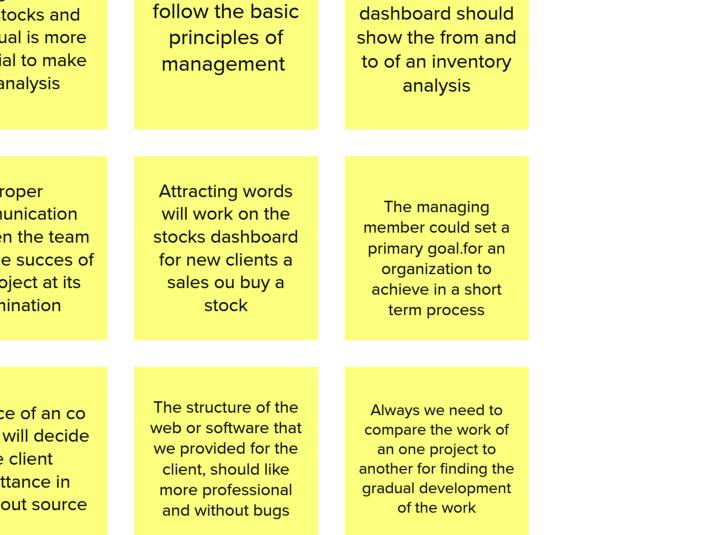

Keeping the things well organized will help in equal distribution and zero wastage.

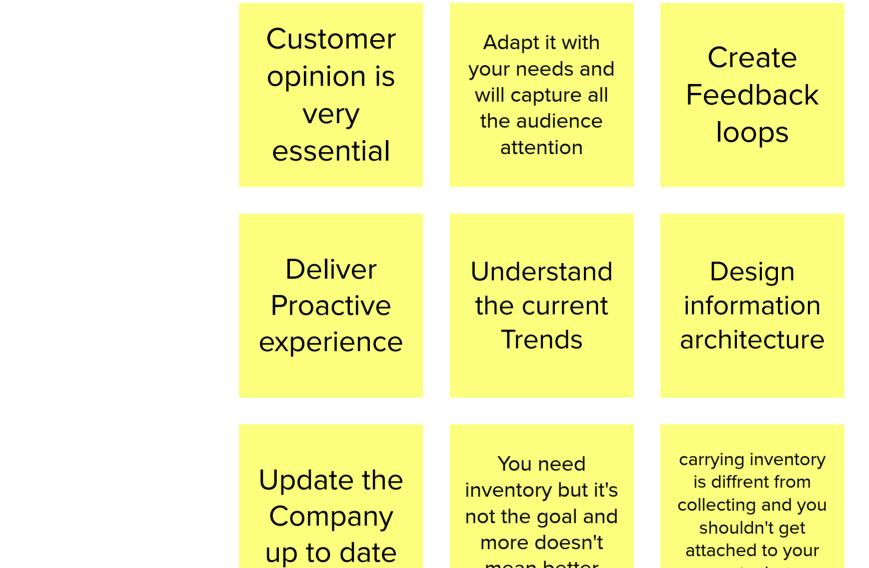

Awarness campaigns on how to better management system will help the shop owners to maintain required goods even if they have small warehouse

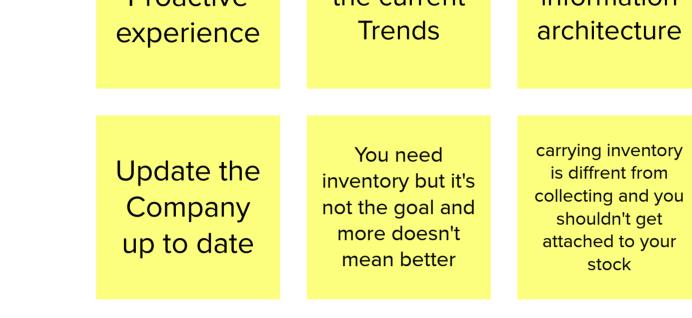

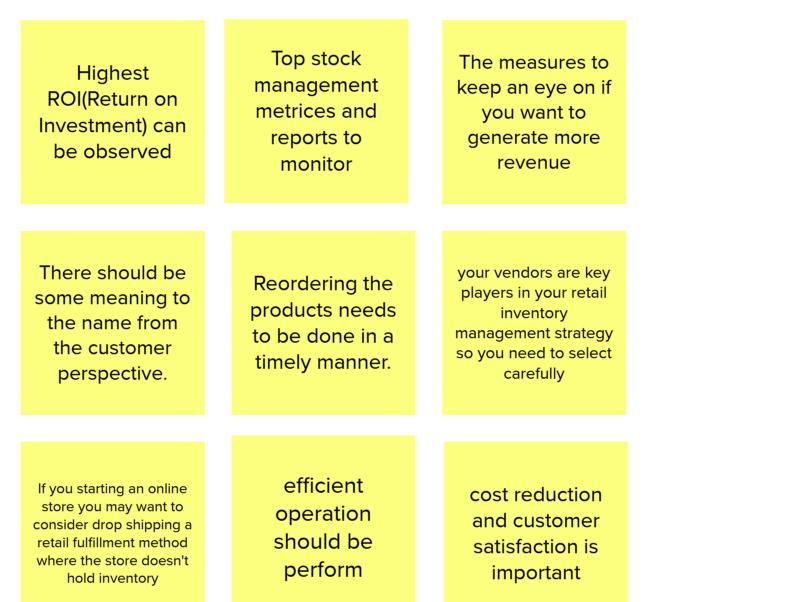

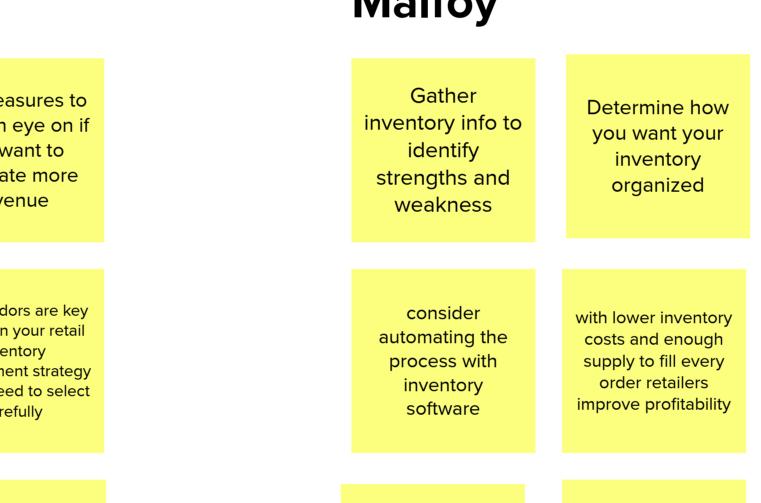

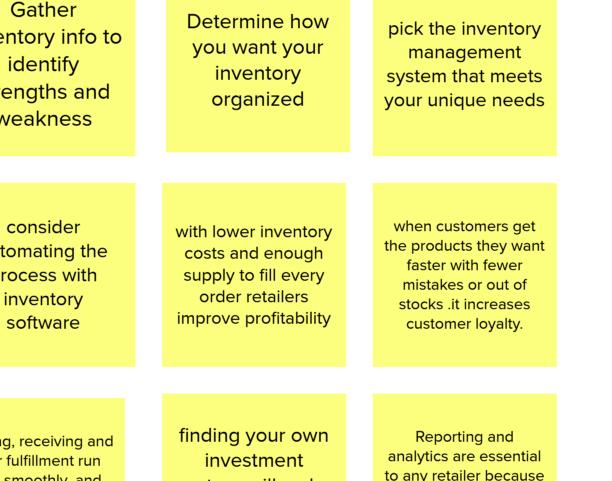

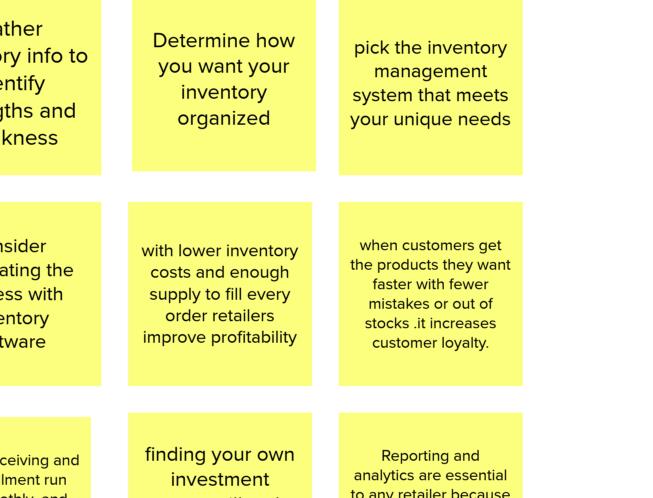

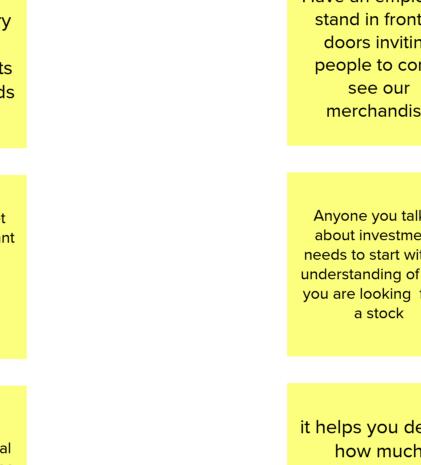

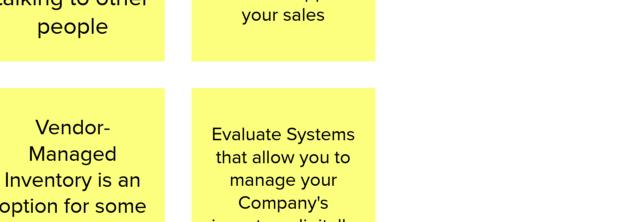

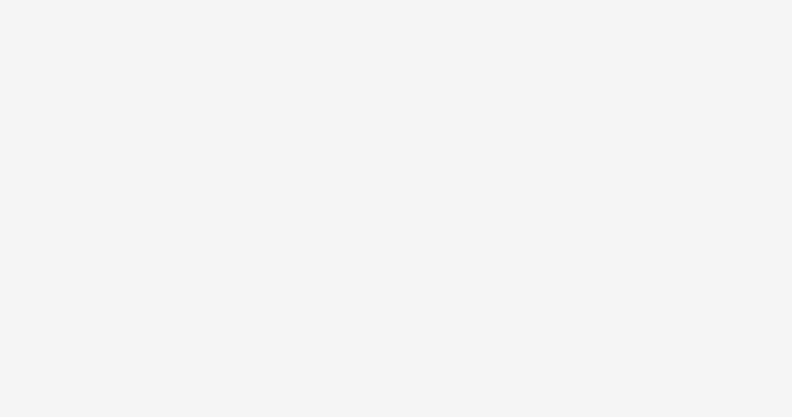

### **Group ideas**

Take turns sharing your ideas while clustering similar or related notes as you go. In the last 10 minutes, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you and break it up into smaller sub-groups.
